## Student's Group Medical Insurance Consultation Service

To all students,

Student's Group Medical Insurance is offered for the non-Macau local students in Macau University of Science and Technology (M.U.S.T.) to ensure that they are covered by the medical support during their stay in Macau. In order to answer questions about group insurance more comprehensively, we have invited the insurance company to set up a consultation service counter at the Student Services Center (R102) in Block R this academic year. If needed, you can consult at the following times:

Regular consultation service hours:

**Every Wednesday from 15:00 to 17:45** (Excluding public holidays)

Location: Room R102, Academic Complex, Block R

Thank you for your kind attention.
